#### BACK-END

- LARAVEL
- PHP

#### DATABASE

- MYSQL

### SOFT SKILLS

- Teamwork
- Creativity
- Eagerness to Learn
- Problem Solving
- Work Ethic
- Versatility

### PROJECTS

#### KODEGO MINI PROJECT 1 - MULTI-PAGE RESPONSIVE WEBSITE

- I was responsible for the development of the project's home page, header, footer, component's page, and some product detail pages.
- I was also responsible for the interactive function in the products detail page

#### KODEGO MINI PROJECT 2 - API-DRIVEN WEB APPLICATION (BEST IN MINI 2)

- I was responsible for the conceptualization, design, and development of the project's pages, header and footer.
- I was also responsible for integrating the API to the web application's pages.

#### KODEGO CAPSTONE - FULL-STACK WEB APPLICATION

- I was responsible for redesigning my teammate's design of our homepage, header and footer. I also designed and developed dynamic page for our product page.
- I developed our crud database using Laravel and integrating it to our Front-end web store using custom API.

### EXPERIENCES

#### BT STORE - AMAZON VA PRODUCT LISTER/DATA ENTRY | JAN 2022 - FEB 2023

- I was responsible for listing profitable amazon products.
- I was also responsible for receiving task from the team manager and executing them.

#### DIANOCHE PTE LTD - VA PRODUCT UPLOADER | JUNE 2021 - AUGUST 2022

- I was responsible for uploading the products on their Carousel and Catawiki accounts.
- I was also responsible for editing some images to upload to their website.

#### 51BLOCKS - WORDPRESS FRONT-END DEVELOPER | FEB 2021 - JULY 2021

- I was tasked to develop reusable templates using Elementor for static pages.
- I was also responsible for executing the daily edits according to the QA, mostly pre-launch.
